

I am here to use my body as a conduit for Spirit.  
As an Energy Worker, I am skilled in sensing the flow of Life.  
Through my body I direct and gently guide the Flow.  
Into Systems.  
Into You.

We exist within Cycles.  
We exist Beyond Time and Space.

With the help of Hawk I can travel FAR.  
I cover wide land.  
Getting a sense of past/present/future and beyond.  
My mutant body creates integration and coherence.  
PRESENCE.

Everything with permission.

With Orangutan's assistance, I bring strength in Love.  
We come together.  
Our union creates a Third Space.

Plants assist.  
Guidance. Healing. Magick.

We call upon the Divine Feminine and Mother Earth (Gaia).  
Ground us.  
Transmute.

I am here in Service.  
Angels, Ancestors, Devic Beings, Aliens, Orbs, LIFE.  
Spirit brings forth All.

Thank You.
